817.783.5577 Fax

## 1. Affidavit

I, David Sanderford, hereby submit this affidavit in support of the foregoing contour map for KVTJ, Jonesboro, AR. I declare and state that I am a graduate Electrical Engineer with a Bachelor of Science in Electrical Engineering from the Georgia Institute of Technology. I am the Vice-President of MARSAND, INC., a Registered Professional Corporation in the State of Texas, and that firm has been retained by **KVTJ** to perform the calculations contained in this report.

The foregoing contour map was created using V-Soft Probe 4, a software commonly used in the broadcast engineering industry. The dipole corrected, noise limited F(50,90) contours for the Pre-Auction and assigned Post-Auction facilities are shown. The addresses for the DirecTV and DISH receive site locations were obtained via DirecTV and DISH's publicly available websites.

I declare under penalty of perjury that the information set forth herein is correct to the best of my knowledge, information, and belief.

David Sanderford

Vice-President

MARSAND, INC.

Executed on May 19, 2017

## **ADDENDUM**

Local receive facilities for DISH and DIRECTV located in the Paducah, KY-Cape Girardeau, MO-Harrisburg, IL DMA are not within KVTJ's contour and therefore are not plotted on the foregoing map. The addresses of the DISH and DIRECTV local receive facilities in the Paducah, KY-Cape Girardeau, MO-Harrisburg, IL DMA are as follows:

**DISH Local Receive Facility:**

1416 Country Aire Drive  
Carterville, IL 62918

**DIRECTV Local Receive Facility:**

310 Broadway  
Cape Girardeau, MO 63701

KVTJ delivers its signal to DISH and DIRECTV via the DISH and DIRECTV local receive facilities located in the Jonesboro, AR DMA. DISH and DIRECTV have confirmed that it is technically feasible to deliver KVTJ's signal (as delivered to the Jonesboro local receive facilities) to the Satellite Communities. KVTJ is not seeking to add its signal to the DISH or DIRECTV satellites fed via the local receive facilities located in the Memphis, TN or Paducah, KY-Cape Girardeau, MO-Harrisburg, IL DMAs. Therefore, that KVTJ's contour does not extend over the local receive facilities in the Paducah, KY-Cape Girardeau, MO-Harrisburg, IL DMA should not negatively impact the FCC's analysis of VTN's request for modification of its satellite market.
